To-Do's

- ○ JUnit in java
- John Steinbeck
- note 's extension

- ✓ clean code by R. Martin
- ✓ imperial measurment

IMG_0922.png

- ✓ warehouse vs storage -warehouse is for large number of products directly from a manufacturer , storehouse is a place where various items and products are kept.

- Surface Detail

- ✓ Indentation in IF ELSE statement - if not put into curly brackets the second statement / expression will be executed regardless
- ✓ ghost R - linking R (non- rotic accents e.g. tune(r)oil) , glottal stop (rotic accents e.g. tune ˀoi

- true detective
