

TH-S / S-TH

three tips for a flow

// First and foremost , the th isn't a stop sound like the d,t ,b, p but a dental fricative

— thhhhhhthese , thhhhhis , thhhhhh hose , thhhhhat etc .

- Small Slide
- Keep the flow
- Gentle Touch

S-TH , Z - TH

was that
does this

what's the
what's the quickest way ?

how's this
how's this supposed to work ?

does this
does this make sense to you ?

is that
is that your final answer ?

how was
how was the movie ?

he's the
he's the tallest kid in class

it's the
it's the right thing to do

TH - S

with some
I think she's with someone

both seem
they both seem really nice

earth's atmosphere
earth's atmosphere has several layers

south side
they live on the south side of town

fourth seat
you're on the fourth seat from the left
