1. *Pamphlets* for various *fringing groups* - Randall Flagg had pamphlets for many different violent fringe groups in the pockets of his vest (The Stand by S. King)
  1. *pamphlet* is usually a booklet without a hardcase or a sheet of paper folded multiple times which contains arguments on a specific subject .
  2. *Fringe Group* is a group of people whose beliefs place them on the outskirts of a social group or political arena . A political organization that holds views too extreme for the majority . Antifa is a fringe group also the flat-earthers are a fringe group ,althouth not really political or organized.
2. *Ad Hoc Committee* is a group of decision makers elected quickly from the most respected and reliable members when circumstances demand someone to stand at the head of an unorganized community or group. (from The Stand by S.King)
3. *duplicate* entries , duplicate is pronounced as [ dju:plicet] ɐ= shwa sound (from Grokking Algorithms)
4. *White lie* is a harmless or trivial lie that usually serves to avoid hurting someone's feelings . ( from Grokking Algorithms)
5. *to perform an experiment* , as some natives suggest there's nothing wrong with saying to ~~do~~ an experiment still *to perform* or *to experiment* sound more natural.
6. *Military insignia (patch)* is a patch of fabric with an emblem or symbols sewn onto uniform to identify military units( from internet search ).
  1. *Moral patch* depicts a humorous representation of a division emblem.
  2. *Shoulder Sleeve Insignia* worn on a sleeve or shoulder of a uniform jacket . Usually represents a military rank of the owner.
7. *Social bonds or ties* , "traditional "values and social ties have been used as a means of propaganda by conservative totalitarian governments.
