

Whack job

#PHR

- **whack job**

This guy is a whack job . Nobody can work with him .

- **out of whack**

Almost every neighborhood in the city looks out of whack .

- **keep me in the loop**

Your project is very important to me so keep me in the loop.

- **a teensy bit**

He added a teensy bit of alcohol in his coffee .

- **a smidge**

Turn the flame down a smidge and let the stew simmer for a while .

- **to be beside oneself**

She was beside herself with anger

- **to buy over the counter**

The ammunition stores are legal so you can buy a lot of military equip over the counter .

- **to buy under the counter**

Some pharmacies are selling prescription drugs under the counter.

- **put a pin in it**

Let's put a pin in it and resolve our issues after the job is done .

- **nothing to shake a stick at**

There was nothing to shake a stick at , just a boring little town .

- **a bear of a man**

James was a bear of a man and also a kind hearted fellow .
