

to rub / off / on

#PHR

- **to rub**

I'm rubbing my hands because it's cold , I want to warm them up .

- **to rub off**

- Look , you got pen mark on your hand!

- Don't worry it'll rub off .

- I can easily rub it off my skin .

- **to rub off on** (to adopt someone's characteristics , traits after a long time of close interaction with them)

- My wife is sensitive to smells . I never was before I met her , but after years and years together I also became sensitive to smells . It rubbed off on me .
