

## 29 . To " I don't care

1. 1. You will care when I kick the shit outta you ! ( only with close friends)

1. Strange for someone who keeps talking about it

1. I don't care that you don't care

1. Because you don't have enough swag to care

1. Well I'm sorry it's not about ( [trivial topic])

1. Well I do

1. This is not about caring

1. And your point is ?

1. That's not relevant

1. Then why did you sign up for this ?

1. So what do you care about?

1. You don't have to care, you just have to do

1. Well, think of this as the payback for all the ( annoying things they have done to you)
1. I know
1. Well, maybe your life would be a bit better if you did
1. If we all took that view nothing would improve in the world
1. I understand ,but we all have to do things we don't care about
1. I think you should care
1. But if you don't care who will?
1. Just give it a go and try to care
1. This is important to you
1. You will care when you see the end goal
1. You need to care about something
1. Well, maybe you would care if ...

1. And how do you intend on achieving ( goal ) if you don't care about anything ?

1. Is that because you feel like others
