Whack job #PHR

· whack job

This guy is a whack job . Nobody can work with him .

· out of whack

Almost every neighborhood in the city looks out of whack.

· keep me in the loop

Your project is very important to me so keep me in the loop.

· a teensy bit

He added a teensy bit of alcohol in his coffee .

a smidge

Turn the flame down a smidge and let the stew simmer for a while .

· to be beside oneself

She was beside herself with anger

· to buy over the counter

The ammunition stores are legal so you can buy a lot of military equip over the counter.

• to buy under the counter

Some pharmacies are selling prescription drugs under the counter.

put a pin in it

Let's put a pin in it and resolve our issues after the job is done.

• nothing to shake a stick at

There was nothing to shake a stick at , just a boring little town .

• a bear of a man

James was a bear of a man and also a kind hearted fellow .
