## TH-S / S-TH

three tips for a flow

// First and foremost , the th isn't a stop sound like the d,t ,b, p but a dental fricative

- thhhhhhhese , thhhhhis , thhhhhhhose , thhhhhhat etc .
  - Small Slide
  - · Keep the flow
  - Gentle Touch

## S-TH, Z-TH

was that does this

what's the what's the quickest way?

how's this supposed to work?

does this does this make sense to you?

is that is that your final answer?

how was how was the movie?

he's the he's the tallest kid in class

it's the it's the right thing to do

## TH - S

with some I think she's with someone

both seem they both seem really nice

earth's atmosphere has several layers

south side they live on the south side of town

fourth seat you're on the fourth seat from the left
