Re- …
when atteched to verbs as an indicator of doing over / again the action described by the verb is
commonly pronounced as [rē -] / [ree]

ex.

rebuild [rē-'bild]
redo [rē-'dü]
reconnect [rē-'kə'nekt]

when the re- prefix can't be separated without losing or totally changing the meaning of
the verb its usual pronunciation is [ri]

ex.

restore [ri'stor]
refresh [ri'fresh]
